## Instructions

These Agile planning poker cards are designed to be printed double-sided (serving suggestion).

- Page 1 Planning poker cards (0-100)
- Page 2 Backing for planning poker cards
- Page 3 Break card (with backing)

Equipment that you'll need includes:

1. PDF version of this file
2. Printer (laser or inkjet)
3. Card (100gsm or above)
4. Programmers

You'll need one set of cards per programmer.
